

# Financial Women of San Francisco (FWSF) is a professional women's organization founded in 1956—the first such organization in the country.

We provide programming in the Bay Area. The FWSF Scholarship Fund is an affiliated 501(c)(3) public charity that awards scholarships to promising women studying finance at Bay Area colleges and universities.

### Mission

#### Advancing the success of women in finance.

- Providing a broad-based network of contacts for women in the field and encouraging camaraderie and cooperation.
- Gaining greater recognition for women's achievements in business.
- Providing professional development and leadership opportunities for women.
- Encouraging women to seek career opportunities in finance and business.
- Providing financial support to women studying for careers in finance through the FWSF Scholarship Fund.
- Fostering a culture of diversity and inclusion in FWSF's membership, leadership and activities.
